

Monday 12th May, 2014

Dear Parents,

COOKING CLASS

It is **1/2A and 1/2B's** turn to participate in a cooking session in the kitchen. The students are really excited and are eagerly looking forward to this opportunity. We will need four parent volunteers from each class to assist in order to make the activity run smoothly.

The kitchen time for **1/2B** is **9.30 am** this Thursday 15th May and **1/2A** at **12.00 noon**, if you are able to assist it would be greatly appreciated, your input is vital to the success of the program.

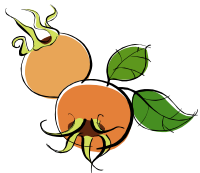

Donations requested this week – caster sugar, coconut.

Please let your child's teacher know if you are able to help by Wednesday.
Hope to see you there; thanks for your support.

The cost of the cooking class is \$2.00 per child, which will enable your child to participate.
