Dear Parents,

**WOW!**

Our sizing samples for our new sports tops have arrived.

These tops are predominantly to be worn on PE days and for interschool sporting events. The tops are a cool design, using a modern mesh fabric with children’s first names personalised on the back. We are encouraging all children to purchase a sport uniform so that we present as a unified team at inter-school sports events and PE sessions.

A sizing range is available at the office for your child to try (you will need to be present with your child for the fitting). We will be placing an initial order this Wednesday in an attempt to get a delivery by mid-February. Otherwise our first delivery after this will be the end of March.

Names printed on the back of tops will be first names as they appear on your child’s birth certificate (nicknames will not be used). If you require an alteration to names, for example, on the birth certificate is ‘Lachlan’ however he is known as ‘Lachie’ you will need to indicate the change on the form below. They cannot be changed once the order is submitted and refunds will not be given.

The price of the top is $30.00.

So **HURRY, HURRY, HURRY**. Return the order slip below to ensure your child does not miss out.
