

## PHOTOGRAPHING, FILMING AND RECORDING STUDENTS' POLICY

### PURPOSE

To explain to parents/carers how Bittern Primary School will collect, use, and disclose photographs, video, and recordings of students, how parent/carer consent can be provided and how it can be withdrawn.

### SCOPE

This policy applies to the general collection, use and disclosure of photographs, video, and recordings (images) of students.

### POLICY

This policy outlines the practices that Bittern Primary School has in place for the collection, use and disclosure of images of students to ensure compliance with the *Privacy and Data Protection Act 2014* (Vic). It also explains the circumstances in which Bittern Primary School will seek parent/carer consent and how consent can be provided and/or withdrawn.

As a rule, use relates to images which are shared and distributed only within the school for school purposes (i.e. ID photos, Compass), whilst disclosure is used for images which are shared and distributed outside of the school staff and are available to other students, parents/carers, and the wider school community.

Bittern Primary School will ensure that parents/carers are notified upon enrolment and at the commencement of each school year of the ways in which our school may use images of students. There are many occasions during the school year where staff photograph, film or record students participating in school activities or events, for example, classroom activities, sports events, concerts, excursions, camps etc. We do this for many reasons including to celebrate student participation and achievement, showcase learning programs, document a student's learning journey/camps/excursions/sports events, communicate with our parents/carers and school community in newsletters, Facebook and on our school website.

Bittern Primary School will use student images reasonably, appropriately, and sensitively, consistent with our obligations under the Child Safe Standards and our Child Safety Policy. If at any time a parent/carer or student has a concern about the use of any images they should the principal.

In addition to the processes outlined below, parents/carers can contact the principal and method of in writing by sending an email to [bittern.ps@education.vic.gov.au](mailto:bittern.ps@education.vic.gov.au) at any time to withdraw their consent for any future collection, use or disclosure of images of their child.

However:

- if the images have already been published and are in the public domain, it may not be possible for consent to be withdrawn.
- There may be occasions when the school will record whole of school or large group events [and make those recordings available to the school community through DVD sales etc, such the school concert, graduation nights, sports events etc and if your child participates, they may appear in these recordings which will be available to the whole school community.
- The school can still collect, use, and disclose images in circumstances where consent is not required (see below for more information).

### Official school photographs

Each year Bittern Primary School will arrange for a professional photographer to take official school photographs of students. This will generally involve both class photos and individual photos being taken.

Official school photographs may be:

- purchased by parents/carers.

Parents/carers who choose to opt-out of having their child participate in official school photographs must contact the principal or the school office before the date photos are scheduled to be taken to advise that their child will not participate. There is no obligation on any parent or carer to purchase any photographs taken.
