### POLICY

Bittern Primary School welcomes feedback, both positive and negative, and is committed to continuous improvement. We value open communication with our families and are committed to understanding complaints and addressing them appropriately. We recognise that the complaints process provides an important opportunity for reflection and learning.

We value and encourage open and positive relationships with our school community. We understand that it is in the best interests of students for there to be a trusting relationship between families and our school.

When addressing a complaint, it is expected that all parties will:

- be considerate of each other's views and respect each other's role
- be focused on resolution of the complaint, with the interests of the student involved at the centre
- act in good faith and cooperation
- behave with respect and courtesy
- respect the privacy and confidentiality of those involved, as appropriate

- operate within and seek reasonable resolutions that comply with any applicable legislation and Department policy.
- recognise that schools and the Department may be subject to legal constraints on their ability to act or disclose information in some circumstances.

### 1. Complaints and concerns process for students

Bittern Primary School acknowledges that issues or concerns can cause stress or worry for students and impact their wellbeing and learning. Bittern Primary School encourages our students to raise issues or concerns as they arise so that we can work together to resolve them.

Students with a concern or complaint can raise them with a trusted adult at school, for example, their classroom teacher, Wellbeing staff, Koorie Education Support Officers, Education Support staff. Staff at BPS will take all concerns or complaints seriously and will explain to students what steps can be taken to try to resolve the issue.

Students can also ask their parent, carer, or another trusted adult outside of the school, to talk to the school on their behalf. Information about our parent/carer complaints and concerns process is outlined further below. The parent/carer process also applies to students who are mature minors, refer to: [Mature Minors and Decision Making](#).

Other ways you can raise a concern or complaint with us include:

- talking to a member of the student leadership team ie. School captains and house captain about your concern and any suggestions you have for resolving it
- participating in our Attitudes to School Survey (for Grades 4-6)
- talking to school chaplain/social worker about your concerns
- communicate in writing e.g. anonymous letter or via email to a trusted adult

Further information and resources to support students to raise issues or concerns are available at:

### 2. Complaints and concerns process for parents, carers and community members

#### ***Preparation for raising a concern or complaint***

Bittern Primary School encourages parents, carers or members of the community who may wish to submit a complaint to:

- carefully consider the issues you would like to discuss
- remember you may not have all the facts relating to the issues that you want to raise
- think about how the matter could be resolved
- be informed by checking the policies and guidelines set by the Department and Bittern Primary School (see “Further Information and Resources” section below).

### 3. Support person

Parents/carers are welcome to have a support person to assist in raising a complaint or concern with our school. Their name, contact details, and their relationship needs to be provided to the school prior to the meeting.

### 4. Raising a concern

Bittern Primary School is always happy to discuss with parents/carers and community members any concerns that they may have. Concerns in the first instance should be directed to your child’s teacher, Wellbeing Team Leader, or Principal. Where possible, school staff will ensure that all concerns are appropriately addressed.

## 5. Making a complaint

Where concerns cannot be resolved in this way, parents or community members may wish to make a formal complaint to the Principal noting that formal complaints should be directed to a member of the school's leadership team.

If you would like to make a formal complaint, in most cases, depending on the nature of the complaint raised, our school will first seek to understand the issues and will then convene a resolution meeting with the aim of resolving the complaint together. The following process will apply:

1. **Complaint received:** Please either email, telephone or arrange a meeting through the front office with the Principal, to outline your complaint so that we can fully understand what the issues are. We can discuss your complaint in a way that is convenient for you, whether in writing, in person or over the phone.
2. **Information gathering:** Depending on the issues raised in the complaint, the Principal or their nominee may need to gather further information to properly understand the situation. This process may also involve speaking to others to obtain details about the situation or the concerns raised.
3. **Response:** Where possible, a resolution meeting will be arranged with the Principal to discuss the complaint with the objective of reaching a resolution satisfactory to all parties. If after the resolution meeting we are unable to resolve the complaint together, we will work with you to produce a written summary of the complaint in the event you would like to take further action about it. In some circumstances, the Principal may determine that a resolution meeting would not be appropriate. In this situation, a response to the complaint will be provided in writing.
4. **Timelines:** Bittern Primary School will acknowledge receipt of your complaint as soon as possible (usually within two school days) and will seek to resolve complaints in a timely manner. Depending on the complexity of the complaint, Bittern Primary School may need some time to gather enough information to fully understand the circumstances of your complaint. We will endeavour to complete any necessary information gathering and hold a resolution meeting where appropriate within 10 working days of the complaint being raised. In situations where further time is required, Bittern Primary School will consult with you and discuss any interim solutions to the dispute that can be put in place.

Please note that unreasonable conduct (e.g., vexatious complaints) may need to be managed differently to the procedures in this policy.

## 6. Resolution

Where appropriate, Bittern Primary School may seek to resolve a complaint by:

- an apology or expression of regret
- a change of decision
- a change of policy, procedure or practice
- offering the opportunity for student counselling or other support
- other actions consistent with school values that are intended to support the student, parent and school relationship, engagement, and participation in the school community.

In some circumstances, Bittern Primary School may also ask you to attend a meeting with an independent third party or participate in a mediation with an accredited mediator to assist in the resolution of the dispute.

## 7. Escalation

If you are not satisfied that your complaint has been resolved by the school, or if your complaint is about the Principal and you do not want to raise it directly with them, then the complaint should be referred to the South-Eastern Victoria Region by contacting [sevr@education.vic.gov.au](mailto:sevr@education.vic.gov.au) or 1300 338 738.

Bittern Primary School may also refer a complaint to South-Eastern Victoria Region if we believe that we have done all we can to address the complaint.
